

Beta Sigma Phi Renewal Pledge for Angel Members

I hereby renew my pledge to Beta Sigma Phi and as an Angel Member, agree to forebear my life-time paid-up membership in furtherance of the mission and fellowship of Beta Sigma Phi and to pay a fee of \$15.00 annually, in advance, on the anniversary date of my chapter.

I understand that no portion of the annual fee is subject to refund and that all amounts shall be credited to the operations and mission of Beta Sigma Phi.

I understand that the Angel annual fee commencing in 2016 will be \$15.00, and that the annual fees may be raised by direction of the Executive Council based on the needs of the organization, but that, as an Angel member, my annual fees shall be far less than those paid by other members of Beta Sigma Phi. I also understand that no assessment other than this Angel annual fee will ever be levied.

I understand that I will receive recognition as an Angel Member among my peers and on the Beta Sigma Phi website in exchange for my commitments as an Angel Member to resume making annual fee contributions to Beta Sigma Phi.

I hereby agree to amend my paid-up annual fees agreement to allow a yearly payment toward the expenses of the organization never to be equal to the payment by those currently paying annual fees. Currently that amount will be \$15 and never will be equal to the amount paid by those who continue to pay annual fees. I will be billed yearly for this amount. If I am at any time unable to continue, I will contact the International office.
