#### Program

Our theme of "Let Us Entertain You" is upper most in our planning for the convention program. We have already booked 4 of our 5 speakers for the weekend.

The Saturday evening gala will be both entertaining and full of music as we dance the night away with the amazing act we have been able to secure.

No one should go home hungry with the morning/afternoon teas and lunches planned, not to forget the 3-course gala dinner with drinks included.

We have decided to have Friday evening as a pre-convention option. There will be pre-dinner drinks and dinner will be booked for those who wish to attend (at their own expense). Suggestions for Friday (daytime) activities will be offered for people to organise as they wish.

#### And more to come.....

Our next newsletter, Convention registration forms and craft stall registration information will be distributed early in the new year. 'Let us entertain you' in Melbourne in 2024!
